Issued: 22nd Sep 2021

## Half term and Christmas

We are formulating our marketing strategy for the school half term and Christmas periods. Over the next few weeks, we will be inviting you to update us on your plans for the holidays, so that we can support you, and include and promote your ideas within the Experience Banbury website.

As the half term will be on us fairly soon, please let us know if you have any events, activities or promotions that you would like us to include within the website or that could be promoted via social media or even as part of our regular press releases.

We are also working with Experience Oxfordshire, and want to make the deadline for their newsletter, so please let us know your half term plans by midday on Monday 27th September.

We look forward to hearing from you and making this a bumper holiday period. Should anyone have any questions on the above, please feel free to contact me.

All the best,
