

# BUSINESS E-BLAST

Issued: 30 June 2021

## Decorative Planters

We are delighted to be able to offer our BID Levy payers the opportunity to purchase planters that are decorated with the Banbury sunshine logo and pre-planted with a seasonal flower selection. They are suitable in size to frame doorways, are portable and low maintenance.

We have worked with the Banbury Town Council on this project, the aim is to create opportunities to brighten the town and improve habitat for pollinating insects. The image below shows a representation of the type of flowers, display and style of pot.

The cost of these is highly competitive at £10 each. The pots will require the purchaser to water and feed them, and to secure them by bringing them indoors at close of business.

We would love to see these spread liberally around the town, demonstrating that Banbury is “The Sunshine Town” while simultaneously improving the environment and putting a smile on your customers faces. To place an order please contact us by e-mail to [info@banburybid.com](mailto:info@banburybid.com)

Should anyone have any questions on the above, please feel free to contact me.

All the best,

**Yolanda Fletcher**
