Welcome to Banbury BID's fortnightly newsletter.

## Banbury BID's Magic of Christmas

Thank you to everyone that came to our Magic of Christmas on Saturday it was lovely to see so many people in town having a good time and shopping in our local businesses. We have had such positive feedback from customers who enjoyed the day and then stayed to enjoy the town to eat, drink, shop and have fun!

## Energy Crisis Event

There is still time if you would like to attend the "Making sense of Energy Crisis" meeting today taking place **today** from 17.30 until 20:00, at The Rustic Bean in Parsons Street, The Banbury and District Chamber of Commerce and Banbury (BID) are joining forces to support the local business community. We have joined forces to encourage collaboration and offer support to the local business community through these unprecedented times to understand the Government support package, help business shape their practices as they navigate their way through the turbulent months ahead and give all businesses the opportunity to ask any burning questions to the energy industry experts on the day.

The event is open to all local businesses with free places for Banbury Chamber and BID Levy members.

## SMALL BUSINESS SATURDAY

03.12.2022

Please let us know asap if you are taking part in small business Saturday or having any event or offers to celebrate. We would love to host a story and share this for you.
