Banbury BID is funded by over 350 diverse businesses in the town centre. We strive to work with the community to make sure our town centre is celebrated and that the businesses are supported to enable them to thrive. We hope that you are able to enjoy many of the events that are organised by the local businesses as shown in this guide.

If your business is interested in sponsoring an event or objective next year, we would love to hear from you. Sponsorship is a fantastic way to support the community while also promoting your business. We have a range of sponsorship opportunities available, suitable for businesses of all sizes and budgets.

In addition to financial support, we also welcome volunteers. Volunteering is a rewarding way to give back to the community and can also provide valuable networking opportunities. Whether you can spare a few hours a week or a few days a year, your time and skills can make a real difference.

Please get in touch if you would like more information about sponsorship or volunteering opportunities. We look forward to working with you to make Banbury town centre an even better place to live, work, and visit.
